

Announcing the start of two monthly LISTENING GROUPS using the workbook

Listen to My Life: Recognizing and Responding to God in Your Story

The ***Listen to My Life Listening Groups*** will run for approximately 8 months, from February to September or October 2010. We will work on one map per month on our own, then debrief that journey by using the Listening Group architecture (listening in silence to one another, responding only through asking questions). The groups will consist of up to 12 people that meet collectively at the beginning and end of our time together for introduction, instruction and debrief, and then be broken down into smaller groups of 3-4 people in size for listening groups.

We will meet for approximately 2.5 hours once a month, in safe and comfortable homes. We predict that this self-reflective tool, which has been tested nationally and is beginning to be used internationally, will give you a unique opportunity to see how your life story intersects with God's story. The fee for the *Listen to My Life* workbook is \$35.

If you want to register interest or have other questions, contact Sharon Swing at sharon@onelifemaps.com. More information about *Listen to My Life* can be obtained by visiting the Web site, www.onelifemaps.com.
